

Anusha Jaiswal

UI/UX DESIGNER

As a passionate User Experience Designer with 2 years of industry experience, I excel at creating intuitive digital experiences. Currently pursuing my Master's at the University of Sydney, I'm a fast learner with strong problem-solving skills and a love for teamwork. My open communication style and calm approach to challenges enable seamless collaboration with developers and stakeholders. I'm eager to bring my energy and creativity to every project.

WORK EXPERIENCE

UI UX Designer / Powerweave

Sept 2024 - Feb 2025 / Freelance

- Designed and developed an internal HR portal end-to-end for Powerweave Software Services.
- Created intuitive dashboards tailored for multiple personas across the organisation.
- Built and implemented multiple workflows to streamline HR processes.
- Currently in the testing phase, with rollout planned shortly for daily operational use.

UI/UX Designer / LTIMindtree

JULY 2022 - JULY 2024 / Full-time

- Interacted with clients, negotiated effectively, and developed proof of concepts.
- Devised strategies for proposals and collaborated with cross-functional teams to deliver final products.
- Enhanced user experiences for e-commerce and finance clients by crafting user-friendly interfaces for B2C and B2B companies, using research tools and design thinking.

Innovator / Digital Impact Square-TCS

JAN 2022 - APRIL 2022 / Full time intern

- Led an Agri-tech start-up in applying design thinking and user research to develop ergonomic solutions for agrarian labor in India.
- Collaborated with engineers, led brainstorming sessions, and facilitated stakeholder meetings to align on project goals and requirements.

Graphic Design & UI/UX Intern / X-billion Skills Lab

JULY 2021 - SEPTEMBER 2021 / Full time intern

- Developed mockups for website redesigns and digital assets for web, email, and social media campaigns.
- Collaborated with the creative team to ensure designs met brand standards and contributed to expanding marketing channels by executing sales-focused campaigns with the marketing team.
